CURRENT RESIDENT

**RE: County Road B Utility Project – Closures at Cohansey Blvd. Intersection and Dale St. Intersection**

Dear Property Owner:

The City of Roseville is making utility improvements in coordination with the Xcel gas line project on County Road B. This work is being conducted in conjunction with the Xcel gas line project to repair and update the sanitary sewer system more efficiently, reducing project time and costs, as well as inconvenience to residents.

The intersections of Cohansey Blvd. and County Road B and Dale Street and County Road B will be closed for four weeks starting the week of August 2. A detour that will route traffic to Larpenteur Ave. on the south side and Highway 36 on the north side will be implemented while work is being conducted.

Access Routes:

- Properties located between Cohansey Blvd. and Dale St.: Access from Sandhurst Dr.
- Properties located between Dale St. and Victoria St.: A portion of the Dale St. and County Road B intersection will remain open for local traffic southbound onto Dale St. to the right turn to westbound County Road B

For more information on the project please visit the project website at [www.cityofroseville.com/CRB-Utility](http://www.cityofroseville.com/CRB-Utility).

Thank you for your patience during this work. If you have questions or concerns, please contact me by email or phone: [stephanie.smith@cityofroseville.com](mailto:stephanie.smith@cityofroseville.com) or 651-792-7048.

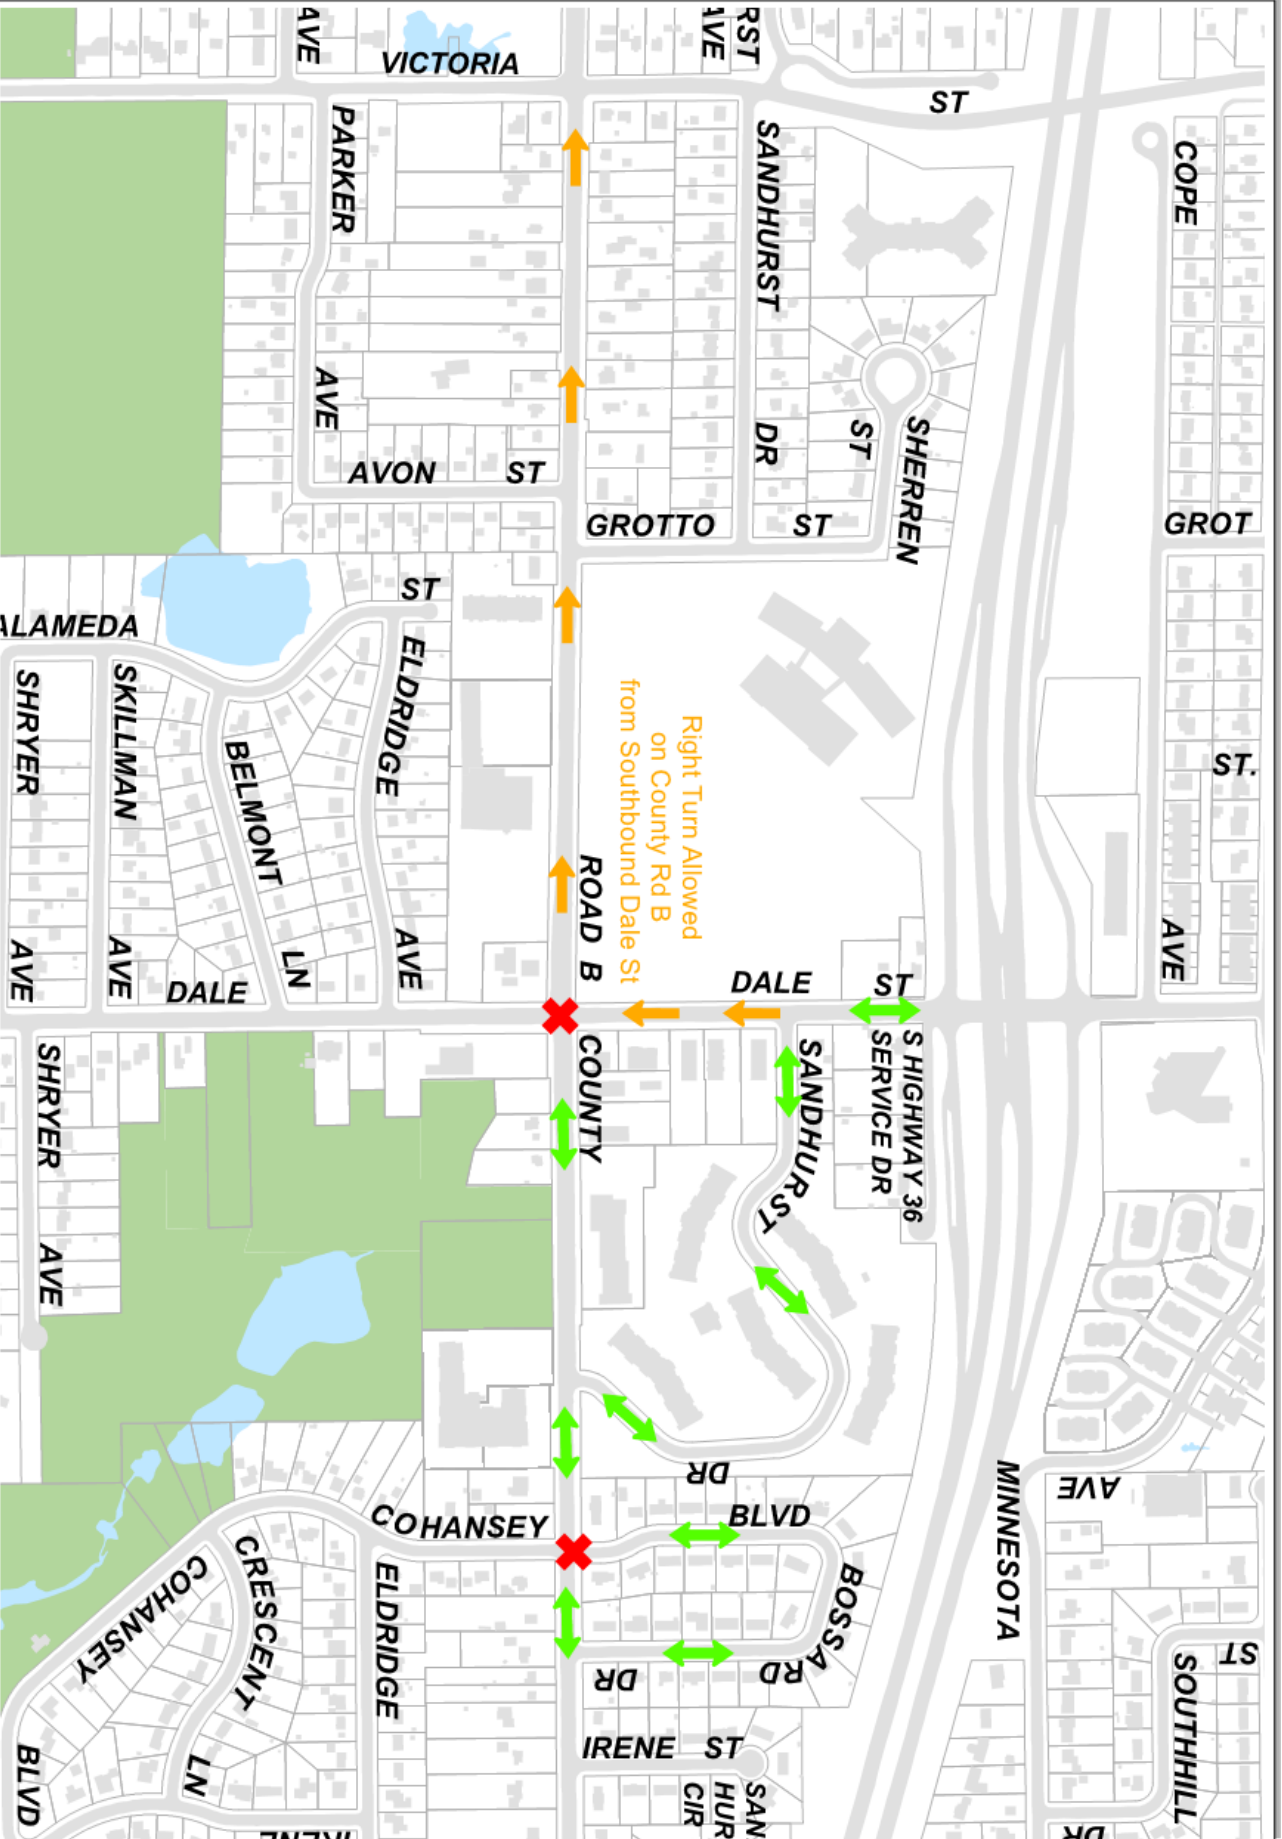

Sincerely,

Stephanie Smith, P.E.  
Assistant City Engineer
