

# NORTHEAST METRO NATURAL GAS PROJECT

VIRTUAL PUBLIC OPEN HOUSE FLYER  
FEBRUARY 2022  
MINNESOTA

## YOU'RE INVITED TO OUR VIRTUAL OPEN HOUSE

### How to Join the Virtual Open House

To learn more about project construction in 2022 please join us via phone or online.

**Date:** Wednesday, March 9, 2022

**Time:** 6 p.m. – 7 p.m.

**Join online:** [XcelEnergyNEMetroGasProject.com](https://www.xcelenergy.com/nemetrogasproject)

**Dial-in number:** 855-962-1519

Can't make it? We'll post the virtual open house presentation on our website following the live event.

### Overview

We are replacing 12 miles of natural gas lines in Ramsey County for the Northeast Metro Natural Gas Project. Construction began in spring 2019 and is expected to be completed in fall 2022.

This work is our commitment to system revitalization, allowing us to continue to provide you safe, reliable service.

### Schedule

2022 is the fourth and final year of the project. Construction will occur on County Road B, between Lexington and Hamline avenues, and on Hamline Avenue, between County Road B and County Road C.

Work will begin in spring and continue into the fall. Please note that the project schedule is subject to change due to inclement weather or other factors.

### Safety

Public safety is at the foundation of all we do. The safety of the public around our natural gas system influences every decision we make.

If you suspect a natural gas leak, leave your home or business immediately. Once you are safely away, call **911**, then Xcel Energy at **800-895-2999**.

This map is a graphic and may not show exact locations.
